

# Xerox® DocuMate® 4700

## Flexible Scanning Solution for Large Documents

- Scan large documents on the 11.7" x 17" (A3) flatbed
- One Touch scanning to any of 9 destinations at the touch of a button
- Internal USB hub for direct connect to an ADF scanner and the computer.
- Convert documents into searchable PDF files
- Automatic image enhancement tools without the need of user intervention

### TOTAL FLEXIBILITY

When you need a flexible scanner configuration, Xerox® delivers. The DocuMate® 4700 is an excellent flatbed scanner when directly connected to your PC. It can be used as a standalone flatbed scanner, and act as a flatbed option for any Xerox DocuMate DriverPLUS ADF scanner. Its USB hub changes the scanner to a combined configuration of distinct ADF and flatbed scanners that are addressable as one single scanner. So, if your needs suddenly change from the ADF-only scanner you have today, you can add a flatbed scanner and improve the investment you've already made in an ADF scanner. The ability to configure your DocuMate 4700 with an ADF scanner in series brings total flexibility to the entire DocuMate scanner product line.

The DocuMate 4700's powerful software, robust functionality and superior hardware

specification delivers quality in every scan. Flatbed scanning offers the option to scan a wide variety of documents, such as books, magazines, plastic cards and fragile paper. Now there is no need to install multiple flatbed scanners across a network if the majority of users do not require this function on a frequent basis. You now have a new option to simply add flatbed capability to your existing set-up, saving time and money. The generous flatbed size enables you to scan large documents (up to 11.7" x 17"), even if the connected ADF scanner is only A4 (8.5" x 11", US Letter) size.

### POWERFUL TECHNOLOGY

The DocuMate 4700 can scan documents to 9 preset, yet completely configurable, destinations using Visioneer® OneTouch® technology. This enables your documents to be scanned with the correct settings for resolution,

color, cropping, file format and then delivered to virtually any application, folder or device – all at the touch of a button. OneTouch technology is not only a great productivity gain, but it greatly reduces amount of time it takes to learn how to operate the scanner and increases your return on investment.

Ideal for management of old or delicate documents, the DocuMate 4700 includes software tools to edit, crop and retouch scanned images and organize the files into folders. With the touch of a button, users are able to scan and automatically upload their documents to popular cloud destinations such as Google Docs™, Evernote®, DropBox, Box.net and others.

# Xerox® DocuMate® 4700 Software Solutions

## VISIONEER® ONETOUCH

OneTouch is an easy-to-use utility that connects the DocuMate 4700 scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, office and ECM applications, your printer, a file folder, or to one of many cloud destinations.

## VISIONEER ACUITY

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

## VISIONEER TWAIN DRIVERPLUS

DriverPLUS offers an impressive array of settings to enable precise customization of the scan – far beyond current TWAIN specifications and user

experience. DriverPLUS also delivers Parallel Scanning, allowing multiple same-model scanners to be connected to a single PC and run concurrent jobs. Visioneer Acuity integration adds intelligent image enhancement and PC Optimization to enable full-speed scanning.

## ABBYY® FINE READER SPRINT

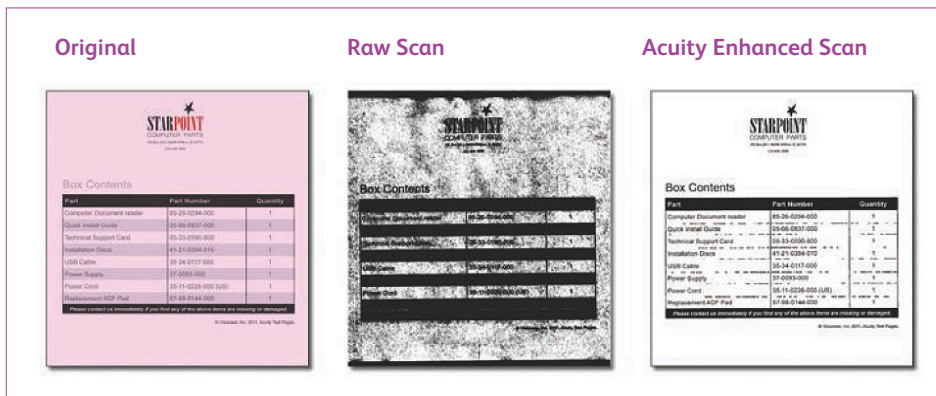

This easy-to-use OCR tool reduces the need of retyping and paper storage, instantly converting your scans into various file formats, including searchable PDF. It accurately reads documents in up to 179 languages and precisely preserves the original document's layout and formatting.

## Minimum System Requirements

- Pentium® IV or equivalent processor
- Compatible with:
  - Windows 10 Pro, Home, Enterprise and Education
  - Windows 7 Pro, Home, Enterprise and Ultimate
  - Windows 8/8.1 Pro, Core and Enterprise
- 2GB RAM
- 500 MB available hard drive space
- DVD-ROM drive
- USB 2.0 port

## Contents

- DocuMate 4700 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- User's Manual
- DVD-ROM including:
  - User's Manual
  - Visioneer OneTouch
  - ABBYY Fine Reader Sprint
  - Visioneer Acuity
  - Scanner Drivers: TWAIN™, ISIS®, WIA, Visioneer DriverPLUS

Xerox® DocuMate® 4700 Product Specifications	
Model Number	XDM47005M-WU
Scan Speed: B&W, Grayscale or Color	2.5 sec/page @ 200 or 300 dpi
Scan Method	Flatbed
Light Source	LED (Light Emitting Diode), instant on
Sensor	CIS (Contact Image Sensor)
Background Color	Black
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)
Dimensions	22.8"(w) x 19.5"(d) x 4.5"(h) (580 x 495 x 115 mm)
Weight	15.4 lbs (7 kg)
Maximum Document Size	11.7" x 17" (297 x 432 mm)
Minimum Document Size	0.15" x 0.15" (4 x 4 mm)
Duty Cycle	1,000 pages/day
